Dear Steve,

The Board of Directors of Belle Manor East would like to commend your company for the manner in which you worked with the Association members while installing new cable wiring.

Your men were friendly, worked quietly and efficiently while completing their tasks. We wish to express our appreciation to you and your workers for leaving the units clean when you were finished. Even with a few glitches, you worked graciously with, and were very accommodating to, the owners.

We would be pleased to offer our recommendation.

Sincerely,

Rosa Denney, President

To Whom It May Concern:

It is my pleasure to recommend Steve Weise, his performance working as a M.D.U. installation contractor for SIGECOM/WOW proved that he would provide quality work to any company.

I know Steve for 8 years in my capacity as a construction manager at SIGECOM/WOW. Steve worked for me on various projects as a M.D.U. contractor and with inspecting & documenting over 100 miles of aerial facilities, and based on his work, I would rank him as an excellent contractor in his field.

Steve was excellent in providing daily progress updates to managers and maintenance personal and ensured any issues were resolved in a timely manor. Steve always followed through to ensure projects were complete on time and to everyone's satisfaction.

I his performance with our company is a good indication of how he would perform in yours, he would be a great asset for your M.D.U. projects.

If I can provide you with any future information, please contact me.

Yours Sincerely
